Independence Day has just passed. How much independence is good in a marriage? Certainly husband and wife should be able to stand on their own two feet and not rely on their spouse for identity and self-worth; BUT interdependence is better. What do you depend on your spouse to do around your home?

I offer you this tidbit of wisdom to get your week started with a positive thought without clogging your email. Read it, digest it, delete it. May it remind you of your marriage vows and why you chose to love your spouse forever. Such commitment and self-sacrifice are indeed a spiritual undertaking and cannot be done alone. May God who is love, support you.
